

# LESSER SLAVE WATERSHED COUNCIL

(Updated March 2007)

A key direction of *Water for Life: Alberta's Strategy for Sustainability* is a shift to shared responsibility for the wise use and sustainability of the watershed.

In partnership with the Government of Alberta, the Lesser Slave Watershed Council will work towards the sustainability of the lake and its watershed for the economic, social and environmental benefit of future generations. To achieve its mission, the Lesser Slave Watershed Council will collaborate with citizens and stakeholders to improve the health of Lesser Slave Lake and its watershed.

The Board of Directors of the Lesser Slave Watershed Council consists of representatives from the following municipalities, Aboriginal organizations, stakeholders and government agencies.
